

DULWICH PICTURE GALLERY

Open Art Invitation to our Public Consultation

Date: 21 March 2023

Time: Drop in 3-8pm

Place: Linbury Room, Dulwich Picture Gallery

Refreshments will be available

Dulwich Picture Gallery invites you to a drop-in consultation, where the team will share plans to enhance the Gallery's three acres of green space, maximising its unique potential and securing the world's first purpose built public art gallery for future generations.

Children are very welcome to attend

Maximising the potential of our three acres of green space

We believe there is huge potential for our outdoor spaces to enhance creativity, wellbeing and happiness for our communities.

Under the banner 'Open Art', our plans comprise two main elements:

- A children's picture gallery providing much needed facilities for schools and families
- A sculpture garden with a difference including creative landscaping which will stage work by emerging and established artists and the planting of new trees.

Please join us to see the plans, meet the team behind the project, and share your thoughts. All feedback will be considered in the design and review process.

We look forward to welcoming you!

For details on getting to the Gallery, visit our website
